FURRIES

ANTHRO NEW ENGLAND 2016

Anthro New England Year Two: Sportsball

We had done it, after waiting over a year and working our staff to the bone, the Anthro New England team carried out ANE 2015 with success. It was a true revolution! ANE 2015 became the highest attended maiden furry convention of all time with 757 attendees and raised \$10,000 for our charity, MA Vest-A-Dog.

But this was just the beginning. As the echoes of freedom rang through the halls of the Hyatt Regency Cambridge, fading into the night, a quiet roar of an approaching event began to rumble, eager to take over the halls once again in 2016.

There is something amazing about thousands of like-minded people gathering to express their love and passion for the same cause. Although we may not all like professional sports, sports in general are very similar to the furry community. People form friendships and relationships over a shared interest, and some go really hard in the paint to express that love – sounds familiar, huh?

We furries are like hardcore sports fans. Sports devotees travel the world to be with others like them and celebrate the thing they love most. For us, it's anthropomorphic animals and the family we have formed in this community over the years. Sports fans paint their chests and faces, donning crazy wigs and giant foam hands to scream support for their team; we don massive animal costumes and parade around hotels sharing hugs, high fives and smiles.

Sports fans are made up of all sorts, some loud and crazy, some quiet and there to enjoy. There are folks of all ages and all walks of life under one roof, just like here at Anthro New England. Fursuiters, performers, dancers, artists, costume makers, photographers, videographers, writers, and more come to these conventions to feel at home.

We chose "Sportsball!" as a theme this year not only because it is fun, but because it embodies the idea of coming together to enjoy a like interest. We will gather in the panel rooms, Ballroom, Zoo, Dealer's Den and other parts of conspace to cheer on performers and speakers, to discuss ideas and interesting topics, and to learn about each other's characters and concepts. We come together to raise money for our charity and to share our love and compassion for real animals, from which our inspiration blossoms.

We hope that you all enjoy this theme and you leave this convention having had the time of your lives. We are honored to give you the chance to become closer to your global furry family.

We're all in this together after all.

Love,

Kota, Logn and Nexus

Team Managers

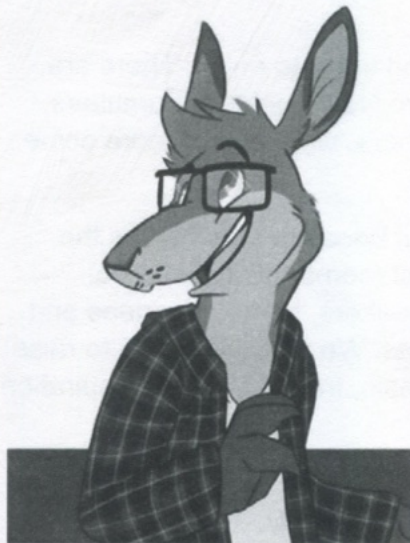

Name: Kota Husky

Age: 26

Position: Director of Operations

Description: A systems engineer by trade, well versed in all facets of security, server, and Internet technologies. Prepped and ready for Year 2, Kota ensures that all ANE systems and operations run smoothly, efficiently, and securely. He has built his experience by providing support for large clients in the Greater Boston Area, and is actively pursuing high-level certs such as CISSP. A man of many hobbies, including skiing, collecting upbeat hipster music, semi-pro cheese eating, and pretending to be a dog.

Name: Logn Roo

Age: 25

Position: Director of Public Relations

Description: Round two, fight! Logn flexes his marketing, public relations, and customer service muscles to help make ANE's second year twice as good.

Hailing from Nashua, NH, Logn spends his time writing marketing materials for software companies, fantasy shopping for IKEA furniture, and watching monster movies. Hobbies include chasing around two unruly dogs, dancing like no one's watching, and making his boyfriend, Atlas, groan from awful jokes.

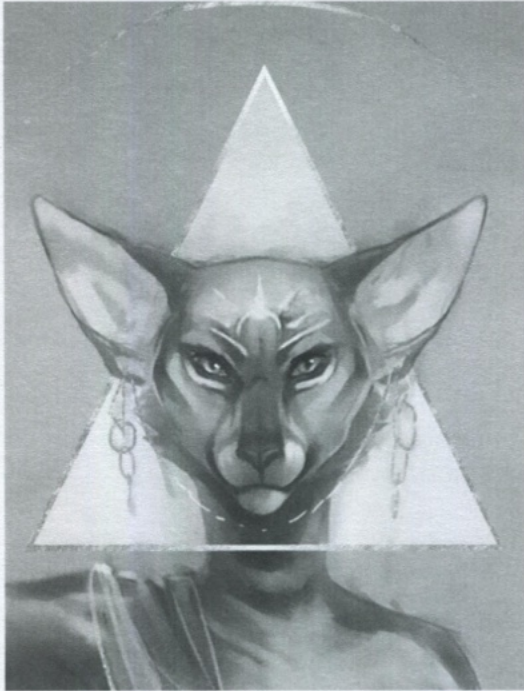

Name: Nexus Folf

Age: 24

Position: Director of Networking

Description: Nexus, also known as Gale Frostbane, Basalt, or Dew Shep, is back and in need of more booze to handle Year 2. She's pretty hype about the fact that it's a sports theme this year and is excited to share her professional mascot stories with you all. As far as favorite sports, she likes the NHL, NFL, and college hockey and basketball most. Her favorite team is the Patriots, who she grew up watching with her father since she was an infant. When attempting to find Nexus at the con your best bet is to yell "Hey Nexus! Lemme buy you a drink!" and she'll materialize in front of you, Beetlejuice style.

The All Stars

Name: Kittiara

Position: Guest of Honor

Description: Kittiara is an illustrator, working by day in a studio on the Boston waterfront on a variety of projects for creative branding and toy packaging. By night, she is fuzzing it up on freelance commissions and personal work of the anthropomorphic sort.

Having arrived in Boston to attend MassArt, she has stayed since receiving her BFA in Illustration and has made the coastal city her home. For a little over a decade, since discovering the furry fandom in her young teens, Kittiara has enjoyed exploring a variety styles and media within the realm of anthro art and is currently immersed in an affair with metal leaf – particularly, gold. She adores glittering, shining things, drawing and painting the human (well...and anthro!) form, and her aesthetic is firmly rooted in sunlight, bangles, and sheer fabric. She can alarmingly murder a sushi boat or a twin lobster dinner, and would still have energy to dance at the club!

Name: Pac

Position: Guest of Honor

Description: Pac is a freelance artist who's been kicking around the fandom in one form or another for nearly two decades. She hails from Northern California where she was born, raised, and educated. A BFA in Illustration from California College of the Arts firmly in her grubby hand, she has made a living doing art in one form or another.

Her experience ranges from character design to graphic design to fine art. She has a burning love of printmaking, clowns, and heavy metal. Coffee is her spirit animal and her super powers are derived from orange bandannas. Nowadays she can be found in South Texas with her husband and dogs, making all the arts over live stream, lamenting the heat, and eating enough crispy tacos to sustain a small village.

Your Starting Line Up

Name: Pup

Age: 33

Position: Security Coordinator

Bio: Running around in his bright shirts and loud ties (probably after a cute fluff), Pup is ANE's Safety & Security Coordinator. Returning for a second year, Pup will be making sure everyone has a safe and fun weekend. 2016 is his 13th year of attending conventions as some fluff or another.

When not pretending to be a dog, you can find him chasing his other passions like camping, restoring classic arcade games and pinball machines, and even being a flight instructor. Despite always being on the move, he will always make time for introductions. If you see him wandering around, make sure you stop and say hello!

Name: Hunter Hundchen

Age: 25

Position: Events & Volunteer Coordinator

Bio: Hunter returns for his sophomore effort as ANE's Event and Volunteer Coordinator. He'll work as hard as he can to make sure ANE runs smoothly! Despite basically being a puppy, he managed to graduate from NU in 2013 with a B.S. in Electrical and Computer Engineering. Like any good dog, Hunter is happiest when being active or doing things outdoors such as hiking, fishing, camping, skiing, or hunting. If you're looking for Hunter during the con, keep an eye out for the husky creating a dust storm behind him as he runs to and fro. If he still can't be found then try whistling for him with a cold beer at the ready.

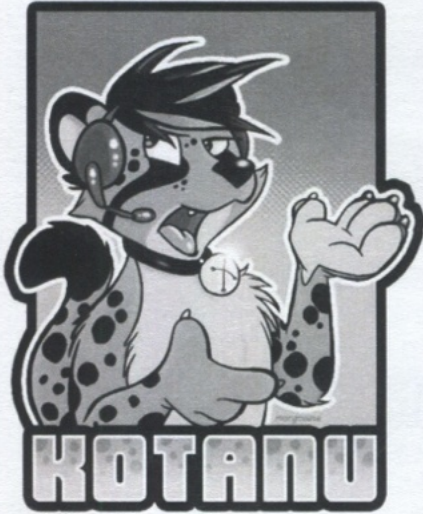

Name: Lunostophiles

Age: 27

Position: Gaming Coordinator

Bio: The Cheshire host with the most is back, sweethearts~! Lunostophiles is ready for round two as Anthro New England's Game Room Coordinator, where he hopes to not only facilitate but create awesome new experiences for everyone who comes by. When not getting furies to sit down and roll dice, Lu can be found yammering about music, pop culture, philosophy, and anything else that strikes his fancy. You may even catch him knitting or crocheting during a shift in the game room (if you're lucky) So come say hi to the big grinner--not one of those teeth has ever bitten anyone before.

Name: Kotanu

Age: 25

Position: Registration Coordinator

Bio: Kotanu comes from Chicago, where he spends most of his time working, either professionally as a Storage and Linux Engineer, or on various side projects.

He also enjoys photography and exploring the city. He will take a fine thin-crust pizza over deep dish any day.

Name: Pherric

Age: 26

Position: Registration Assistant

Bio: Pherric will be coming back for his second year with ANE. Being a polar bear he can most likely be found lumbering around looking for the coldest area of the convention space while doing all he can to assist wherever he can.

Pherric loves everything outdoors and has even made a career out of it after getting his degree in wildlife conservation.

Name: Teddy

Age: 25

Position: Dealer's Den Assistant

Bio: Teddy will also be coming back for her second year with ANE. Teddy is a very tiny fennec and is usually seen bouncing around trying to reach things on high shelves or jumping on Pherric's big, silly head.

When she's not bouncing about, Teddy can be found with a stethoscope in her big ears as a registered nurse.

Name: Drahck Mattox

Age: 33

Position: AV Coordinator

Bio: Growing up on an odd mixture of musical styles, Drahck's tastes are hard to pin down. Inspired by his love of music and the art of the performance, Drahck took up DJ'ing on the large scale just a few short years ago. Now a regular fixture of events and conventions in the North East, including ANE, Drahck shares his stage performance with all who wish to lose themselves to the driving beats and mesmerizing light shows we have all come to expect. As the resident A/V lead and DJ to ANE, Drahck hopes to set the bar on performances and give all the experience of a lifetime with our events! Look forward to seeing him and the rest of the A/V staff in any of the main events during the convention!

Name: Code

Age: 25

Position: AV Assistant

Bio: Lurking among the shadows is a mystical being, a being of pure evil and darkness. He only yearns to live among what is sinister and dreary. Here is Code, who brings down the house with his crazy antics and heavy industrial beats. Drawing inspiration from both far and near he can only hope the dancefloor will be covered with the fur of those on it. He may be crazy and evil when it comes to his music, but he is a nice guy to be around despite how awkward he can be at times. You will find him either flying solo, or riding alongside his partner in crime, Drahck, to bring you the best audiovisual experience you can imagine.

Name: Rico

Age: 24

Position: Convention Producer

Bio: Rico is a fulltime raccoon working at a TV station in Concord, NH as a Senior Staff Producer. He loves technology, making friends, and fursuiting when he's not working his tail off. Rico is joining us for his first year on ANE staff to bring us awesome livestreaming of main events

Name: Fuse Wolf

Age: 23

Position: Fursuit Track Coordinator

Bio: Fuse is a Cape Cod Fire Fighter, EMT, and commercial truck driver. He joined the fandom back in 2008, and in 2010 founded the monthly MA Furbowl held on Cape Cod. Aside from the Furbowl, Fuse is an avid public fursuiter and can often be found roaming Provincetown as a big black canine both for fun and for charity events. He joined the ANE team in 2015 and will be handling fursuit related events and the headless lounge.

Name: Trademark Fox

Age: 29

Position: Convention Photographer

Bio: Trademark Fox returns for his second year at ANE as the official Convention Photographer where he'll be scampering around making us all look fabulous through his lens. In his free time, Trademark enjoys being outdoors and living out his passion as a freelance landscape/portrait photographer. He also enjoys skiing, hiking, and being somewhat of a computer/technology geek. Be sure to stop and pose for a photo if you see him!

Name: Barton Fox

Age: 30

Position: Convention Videographer

Bio: Barton became interested in the fandom after attending his first anthropomorphic convention (Anthrocon) in 2011. After seeing that his fursuit dance competition videos were well received by the furry community, he began to expand his video coverage to conventions as a whole. He is super excited to be able to lend his videography skills to Anthro New England. You are likely to see him around the convention space with his camera gear, so be sure to say 'Hi'! He is patiently waiting for his first fursuit to be completed by early to mid 2016. Barton is from the Boston area and works for a law firm in the downtown area.

Name: Roosiph

Age: 26

Position: Operations Assistant

Bio: Roosiph (or Roo for short) joins this amazing team for his freshman year as an ANE team member! He completed his first year in school learning all about marketing, while being taught how to color inside the lines on the side. When he is not sipping on some form of fanciful coffee, Roo is drawing on anything with a surface, reading about monsters and ghosts (despite getting really scared after), or thinking about how he should probably go for a jog but won't end up doing it because that would mean he would have to go for a jog!

Name: Cyx

Age: 28

Position: Security Assistant

Bio: Cambridge's hottest new dragon is "Cyx" (pronounced "sikes"... not "six"). Born in the bustling well-lit metropolitan city of Las Vegas, this dragon comes in as another freshman to the ANE staff! He has it all! An undergraduate in Psychology, a Masters in Project management, and a desire to gitgud. A diehard video game enthusiast, Cyx spends a good chunk of free time in the FPS or action-RPG genres, so if you're looking to take on a boss level dragon one game or another or are looking for a new gym buddy, this is dragon is your guy!

Meet the Charity

MASSACHUSETTS

VEST-A-DOG

Please welcome our incredible Charity, Massachusetts Vest-A-Dog! MAVAD was founded in 2000 with the goal of training and protecting the incredible dogs in our police force.

The creation of MA Vest-A-Dog was inspired by the tragic death of K-9 Cero, who was killed in the line of duty on March 25, 2000. He was the devoted partner of Deputy William R. Niemi of the Ashtabula County Sheriff's Office in Jefferson, Ohio.

Massachusetts Vest-A-Dog is an independent, all-volunteer, non-profit 501(c)3 organization dedicated to provide support for Massachusetts Police Dogs by providing bulletproof K-9 vests, essential equipment, training, and dogs for police and law enforcement programs throughout Massachusetts.

Their primary goal continues to be to ensure every Massachusetts K-9 has a bulletproof vest. While law enforcement agencies provide bullet-resistant vests for their human officers, they are unable to fund vests for K-9 officers. K-9s are trained to give up their lives to protect their partners and all of us, and we believe it is every bit as important to protect them.

A bulletproof K9 vest ranges from \$1006 to \$2400 each (handler/dept choice). All K9 vests will also protect against blunt force trauma if kicked, punched, or struck with an object, like a bat. The \$2400 K9 Storm™ bullet/stab-protective tactical vests are for Massachusetts K-9 patrol teams that are actively assigned to a tactical team or regularly train in tactical deployment.

Last year we raised \$10,000 for MAVAD and we hope to match or exceed that number this year! If you would like to donate to this incredible charity we will be collecting money during Opening and Closing Ceremonies; but, the best place to donate will be at the Charity's table in the Dealer's Den (where you can also meet and chat with the incredible people that run this charity).

We can't begin to thank you enough for any donations you may make, so please know that somewhere out there a police dog is wagging with joy that your gift will help him or her stay safe in the line of duty!

ANE 2016

Programming

Just like last year we will be using our online portal, Sched, for our most up to date and detailed information on the convention schedule. We will have this on our website and in our Twitter for ease of access during the convention.

The link to our Sched is: <https://ane2016.sched.org/>

The following are times for Registration, the Dealer's Den, the Game Room, the Headless Lounge and the dances, which will all be open or occurring throughout the convention.

Registration:

Thursday:	7pm-10pm (Pre-Reg Only Pick Up)
Friday:	8am-8pm
Saturday:	10am-6pm
Sunday:	10am-2pm

Dealer's Den:

Friday:	Athlete/Coach 11am-6pm	All 11:30-6pm
Saturday:	Athlete/Coach 10am-6pm	All 10:30-6pm
Sunday:	Athlete/Coach 10am-4pm	All 10:30-4pm

Game Room:

Thursday 9pm – Sunday 6:30pm

Headless Lounge:

Thursday 6pm – Sunday 9pm

Dances:

Thursday:	9pm-Midnight (Homecoming Dance)
Friday:	9pm-1:30am
Saturday:	9pm-1:30am

8:00pm – 10:00pm	P Intro to Needle-Felting: Make a Bird! <i>Speakers: Maresy</i>	Panel Room 2 (Cambridge B)
8:30pm – 10:00pm	M Supersponsor "Coach" Dinner	Empress Ballroom
9:00pm – 1:30am	D Saturday Night Raves	Main Ballroom (President's Ballroom A/B/C)
10:00pm – 11:00pm	P So You Want Be a Furry Artist? <i>Speakers: Dalmy</i>	Panel Room 1 (Haym Saloman)
10:00pm – 12:00am	P After Dark Art Jam (18+) <i>Speakers: Macrowolf</i>	Panel Room 2 (Cambridge B)
11:00pm – 12:00am	P Solo Cup Games for Party Animals <i>ANE Team: Kota</i>	Panel Room 1 (Haym Saloman)

JANUARY 24 • SUNDAY

5:00am – 6:30pm	M Board Game Room Open <i>ANE Team: Lunostophiles</i>	Board Game Room (Molly Pitcher)
5:00am – 6:30pm	M Video Game Room Open <i>ANE Team: Lunostophiles</i>	Video Game Room (William Dawes)
